Web Announcement 2402

## **Reminder For Orthodontia Providers: Use Current Orthodontic Medical Necessity (OMN) Form (FA-25) and Client Treatment History Form (For Medicaid Orthodontic Treatment) (FA-26)**

The Orthodontic Medical Necessity (OMN) Form (FA-25) was updated and re-posted on the website on October 1, 2020. Effective immediately, all requests must be received on the updated form, which has a footer date of 10/01/2020.

The currently posted version of the Client Treatment History Form (For Medicaid Orthodontic Treatment) (FA-26) (footer date of 07/24/2020) must also be used. As providers were notified in [Web Announcement 2269](#), both FA-25 and FA-26 were updated per revisions to the [Medicaid Services Manual \(MSM\) Chapter 1000 \(Dental\)](#) that were effective on April 1, 2020.

Requests submitted on or after January 19, 2021, on the previous versions of the forms will be pended for additional information. Requests will be denied if the updated forms are not received within five business days. The updated forms should be uploaded to the prior authorization that is pending for additional information.

The current forms are posted on the [Providers Forms](#) webpage.
